

April is Sexual Assault Awareness Month

Support Independence House in our mission to provide free services to sexual assault survivors.

*Do you like
delicious food?*

*Want to get more involved
with your community?*

Not sure how?

Organize a take-out lunch at your place of business and up to 20% of your checks value will be donated to Independence House!

Here are some ideas to get you started:

- ▶ **Ready?** Discuss with appropriate personnel to ensure bringing food your business is acceptable.
- ▶ **Got the OK?** Talk it up with your co-workers! Tell them about Independence House. Explain this fundraiser will go to support survivors of sexual assault.
 - *Don't forget to mention the food at Uno Chicago Grill is great, and this is a fun, easy and tasty way to give back to your community.
 - *Discuss how the purchase will be made, for example, will someone be responsible for collecting cash on the day of the order.
 - *Decide if your order will be for pick-up or delivery
- ▶ **Got staff on board?** Visit www.unos.com to view full menu, with nutritional information.
- ▶ **Everyone know what they want?** To place an order for curbside pick-up you may call or place online order at www.unos.com
If you would like to arrange for delivery please contact Lauren Titus at Independence House by April 20, 2010 to make arrangements or contact Mary Jane Nash, Marketing Manager, 508.775.3111 with Uno Chicago Grill to ensure enough drivers are staffed.

***Remember to print your coupon (one per purchase) at
