

Journey to Safety Domestic Abuse Program at JF&CS
Job Description
Clinical Supervisor

Summary:

This position provides trauma, clinical, mental health and domestic violence expertise to support JTS staff, interns and volunteers. Additionally, the CS coordinates, and may present trauma informed workshops to domestic abuse survivors in parenting children who are exposed to domestic abuse. In conjunction with the JTS program director, the CS provides MSW clinical supervision to the VOCA funded JTS Advocate and JTS MSW student during the academic year.

The CS is responsible for aspects of the Journey to Self-Empowerment Program which recruits, trains and supervises volunteers to mentor JTS clients on achieving economic security and empowerment. The CS will maintain and develop appropriate resources to support JTS clients to achieve economic security and empowerment e.g. career, financial, educational resources.

The CS provides clinical supervision and training for Journey to Safety staff, Interns and volunteers through regular individual and group meetings.

This is a part time grant funded position and begins July 1, 2018 – 10-12 hours a week

Supervision:

Received: Director, Journey to Safety
