## Rachael Rollins

**United States Attorney  
District of Massachusetts**

**The Honorable Rachael Rollins has been a tireless advocate for justice for those impacted by violence, poverty, discrimination, unfair labor practices, and more. She has shown up when communities experience harm and used the power of her office as District Attorney for Suffolk County to address systemic disparities and racism within our criminal legal system. Her career has been marked by many firsts: first woman to be elected District Attorney for Suffolk County, first woman of color to ever hold the position of DA in the Commonwealth of Massachusetts, and first Black woman to ever be confirmed as U.S. Attorney in the District of Massachusetts.**
